Science | Pearson UK

The term Science of Reading has been the focus of attention for several years (see my January, 2020 post).The term refers to the research that reading experts, especially cognitive scientists, have conducted on how we learn to read. This body of knowledge, over twenty years in the making, has helped debunk older methods of reading instruction that were based on tradition and observation, not ...

The New Ofsted Education Inspection Framework now includes a 'Deep Dive' in reading, and this will form part of every inspection for infant and primary schools. As this has a more detailed focus on the teaching of early reading and how children's books form part of that process, we have been taking lots of calls from teachers here at Badger Learning.

Ofsted's Reading Deep Dive - Questions and Phonic Focus

3 | Year 4 reading comprehension fiction worksheets. Each of these units focus on a different story, and are designed to support you in your teaching of inference and vocabulary. They are based on a carefully scaffolded whole-class reading approach, including multiple iterations, enabling all pupils to access even relatively challenging texts.
