The history of the fashion magazine predates the 20 th century. A potential prototype for fashion illustrations began as early as the 17th century, when, in 1672, Jean Donneau de Vise founded Le Mercure galante. Publications like The Lady's Magazine, which published in Britain between 1770 and 1818, also included fashion illustrations. In France, 19 th century publications like Le Costume ...

Wildlife photography is a genre of photography concerned with documenting various forms of wildlife in their natural habitat. As well as requiring photography skills, wildlife photographers may need field craft skills. For example, some animals and birds are difficult to approach and thus a knowledge of the animal's and birds behavior is needed in order to be able to predict its actions.

Latticed Window at Lacock Abbey, William Henry Fox Talbot, 1835 . William Henry Fox Talbot (1800-1877) is a key figure in the history of photography: he invented early photographic processes and established the basic principle of photography as a negative/positive process. In 1834, five years before the public announcement of the daguerreotype, Talbot developed a process which produced a ...
