A Modern Utopia is a 1905 novel by H. G. Wells.. Because of the complexity and sophistication of its narrative structure, A Modern Utopia has been called "not so much a modern as a postmodern utopia." The novel is best known for its notion that a voluntary order of nobility known as the Samurai could effectively rule a "kinetic and not static" world state so as to solve "the problem of ...

A Modern Utopia - Wikipedia

Motherhood ideology is influenced by the idealization of the family structure and perpetuates the image of a heterosexual couple with children. Some sociologists refer to this as the " bourgeois family", which arose out of typical 16th- and 17th-century European households and is often considered the "traditional Western" structure.
